

# *I Love You* Valentine's Day Cards

## Instructions for printing:

These valentines can be printed on any letter size paper or cardstock. The design has also been formatted to fit the template for [Avery 5390](#), which is perforated for easy folding and separating.

1. Print pages 2 and 3 of this document, front and back
2. Once printed
  - If using regular paper or cardstock, cut along the edges and border
  - If using the Avery template paper, fold along perforated edges and separate
3. All Done! All that's left is to give them to loved ones.

Hope you enjoy! Check out the book these cards are inspired by:
