## WORDS OF WISDOM

Proverbs are sayings that are passed down from generation to generation as a way to advise, console, instruct and warn individuals. They represent wisdoms that have been gained through experience over time. Proverbs are an integral part of African culture and are still widely used. Proverbs tend to come from specific communities but their provenance is not always easy to trace. The beauty of a proverb is, whether it comes from Angola or Zimbabwe, it will often contain a universal truth.

When you give a friend  
a goat, you have to let go of  
the leash – Zambia

When the threads unite, they  
can tie the lion – Ethiopia

Pray for a  
good harvest,  
but keep  
on hoeing –  
Tanzania

A person who  
sells eggs does not start  
a fight in the market –  
Nigeria
